Greetings,

The semester has ended and we are ready for a much needed break! Hopefully, your first semester was filled with a love of learning, exploration, and joy. I am proud of the progress of our students and I hope that you have seen their growth as well. As we release for our two week break, continue to read daily and reflect on learned concepts.

I want to thank all of you for your continued support and prayers this past year. I am truly blessed to be able to work with your family and children.

As always, remember to keep others in your heart and mind during these times. We are shouldering with local churches and missions to help families. Coats, gloves, socks, and toiletries are items that are being requested . You can bring donations to the school.

Blessings, Mrs. White
