- ◆ Projects due 2/15
- ◆ No after-care 2/15
- ◆ Winter Break 2/18-2/22
- ◆ Black History Program 3/1

Greetings Family,

We're getting back into the swing of things: restoring our study habits, completing assignments, preparing our minds to receive new information, and recalling prior concepts. As we prepare ourselves for the end of the year testing, we will stay focused and review on a daily basis. Parents, please continue to check assignments and discuss the days happenings.

I also want to remind you of our second semester Meet and Greet/ Open House this Tuesday from 5-6pm. This will be an opportunity to meet new families, new staff, and ask questions about classroom happenings. Our P.A.C. team will also have an opportunity to speak on upcoming events. I look forward to seeing you then.

*We also have a new direction happening in our music course. Ms. Gayle will now conduct Recorder classes with our **2nd-4th grade classes. Students need to bring \$15 to cover the cost of their music book and recorder. These funds need to be turned into the office by January 18th.***

We will also be celebrating our 100th day on the 16th. We have pressed our way and want to celebrate with a 30 minutes of revelry that morning. Music, dancing, noise makers, donuts and fun. Students come prepared for a blast.

Please continue to pray for the families, students, faculty, staff, and for this nation. There is something in the atmosphere and we always want the protection and hand of God to be on our lives. Everyday we pray that the Father has his heart and eyes upon us as we go throughout our day. We want to send up special prayers to those affected by the happenings in Washington and especially for Mrs. Nikki as she cares for her mother. When prayers go up blessings come down.

Blessings, Mrs. White

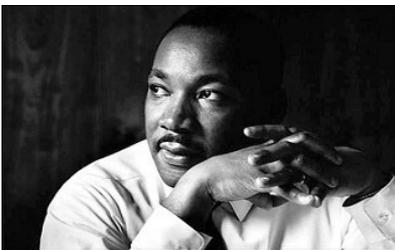

"Intelligence plus character--that is the goal of true education."

Dr. Martin Luther King Jr.

"Preaching a message of nonviolent resistance, the Rev. Martin Luther King Jr. was the leading voice of the American civil rights movement.

The protests he organized, the marches he led and the speeches he delivered continue to resonate today, 50 years after his assassination. They were also key in bringing about landmark legislation such as the Civil Rights Act of 1964 and the Voting Rights Act of 1965.

For his efforts to fight racial inequality, King became the youngest person to win the Nobel Peace Prize. And years after his death, his birthday became a national holiday. Many schools, streets and buildings are named after King, and in 2011 he became the first African-American to receive a monument on the National Mall in Washington."
