Greetings Family,

Thank you, thank you, thank you to the chaperones and staff that attended the Tellus Museum field trip. The students stated that they had a wonderful time and really enjoyed seeing the dinosaurs, excavating bones and panning for stones.

I would like to apologize for lateness in their return. Though I cannot control the traffic or the timeliness of the transportation, I appreciate your understanding for being inconvenienced in having to wait. I am glad that they were transported there and back safely.

For those whom were not able to attend the parent meeting, we do have some changes that will take affect next year. There will be increases in tuition, book, technology, and lunch fees. New pricing information will be made available on the web site as well as at the front desk.
